

IMPORTANT NOTICE CONCERNING JUDGE LAND'S MARCH 7-11, 2022
CIVIL AND DOMESTIC BENCH AND JURY TRIAL CALENDAR

Judge Land's March Bench and Jury Trial week will be handled in-person, unless instructed otherwise by Judge Land. If you would like to handle your case by video, we will need to know if both parties consent and would like a remote bench trial by video. Because the current Uniform Rules do not authorize final bench trials by video absent consent of all parties, we will only proceed by video where both sides consent to a bench trial by video and waive any objections to proceeding in this manner. If there is no consent by all parties, your case will be in person. Please let Marcie Gavens know your preference and if you will be requesting a court reporter by February 21, 2022 to gavens.marcie@columbusga.org
